At the Dentapoole Dental Practice we pride ourselves on offering a friendly, professional and trustworthy dental service to the residents of Bournemouth and Poole.

I have just joined the dental practice and found the staff very professional. The dentist and dental nurse were very helpful and friendly. Felt at ease and I received a lot of useful information about the condition of my teeth. My last dentist felt like I was going through a car wash so it's nice to be treated as a patient not a customer.

I've been with this dental practice for around 10 years and I have to say this is one of the best I have ever experienced. I finally decided to have some wonky front teeth sorted here, and they did an absolutely amazing job. Definitely 5 stars!

Since moving to Dorset I've been concerned about finding a new dentist as I've had bad experiences in the past. I needn't have worried. Friendly, helpful and professional from the moment I walked through the door. Would highly recommend this service. If I could give 6 stars I would. Thanks to all the staff at The Neighbourhood Centre
